Genshin Impact: How to Defeat The Eye of the Storm (Time and Wind Quest)

So think of this map like Arathi Basin, except there are 4 towers and a flag point.

The eye of the storm

They have a few options: defend the tower, go for flag, or try to push for one of your weakly defended bases. If a team was skilled enough to come close to pulling it off, they would be better served putting their skill to work on getting more towers.

Outriders: Eye Of The Storm Expedition Guide

The reason for my poor review all comes down to one thing: the script.

Eye on the Storm» Yale Climate Connections

It'll float away from you, giving you time to capture an obelisk.

The fastest way to win is to zerg all four towers at the beginning and gain many resources at once. Stay behind it to safely damage it. Or some combination of all 3? Although with the new achievement system and the 3-4 achievements revolving around said Flag, I'm sure everyone will be at least trying to get the 3 cap without dying one.

The eye of the storm

This is arguably the hardest obelisk, as these Crawlers can.
