Who Are My True Friends?

Do your friends help you to reach your potential, or do you have to lower your standards to fit in with them? We do not expect each of your friends to have multiple houses. In colloquial speech me is often used where standard grammar requires I especially when someone else is mentioned too. Which of your friends would you feel comfortable confiding in? By all means, if you think that a statement could be misconstrued, rephrase it.

Sweeney Todd

It may just take more time to find them. In the meantime, do your best to be a good friend. After all, you can be friends with someone whose hobbies and talents are different from yours.

My Friend and Me / My Friend and I

Which of the above youths had a true friend? Production Costume designer and developer Yvette Helin in New York worked with her team and sculptor Sal Denaro to realize the two-dimensional characters into life size walk-around character costumes.

My Friend and Me (or) My Friend and I

She pushes me to do things outside of my comfort zone and helps me to be more outgoing. Although both have advantages, a true friend can help you through challenges and can even encourage you to be a better person.
