Cultural Nationalism

A shift from the traditional hierarchy-based system towards political individualism and citizen-states posed a dilemma for the Jews.

Ethnic nationalism

As this move conflicted with the belief among Arab nationalists that Palestine was part of the Arab nation, the neighboring Arab nations to claim the region. In the 1970s the leadership of the separate territories within Yugoslavia protected only territorial interests at the expense of other territories. Approached through the primordialist perspective, the example of seeing the mobilization of a foreign military force on the nation's borders may provoke members of a national group to unify and mobilize themselves in response.

Nationalism

Nationalism in Europe and America: Politics, Cultures, and Identities since 1775 2011.

Nationalism

The gendered manner in which dominant nationalism has been imagined in most states in the world has had important implications on not only individual's lived experience, but on international relations.
