Сотні тисяч загиблих лежать на старих бойовищах «без хреста і домовини», про долю мільйонів рідні не мають жодної звістки. In it, they mentioned that users who had ordered Reunion after February 1 were eligible for a , shipping and handling only.

Would the Russians have defeated Germany even without the assistance of the Ukrainians?

But it is unknown, how many went missing, how many remained in Spain, how many migrated to other countries of Europe and America.

Ralph is listed as naturalized; no indication is given for Helen. The address given is in Saginaw. The book Polish Roots mentions, in it's section about Ukrainian names, that yk is a common Ukrainian surname suffix, so I was looking for a word like Zhurb.

Genealogy

Brandi, that date of death for someone who would have been 22 years old could indicate that he died in World War I.
