Interface between IPR and Competition Law

As such rights are granted under the IPRs, the regulation of competition laws is limited. Feb 3: Microsoft undermines its credibility in court when it shows a controversial videotape demonstration of how Windows 98 is affected by removing its Internet Explorer Web browser.

Interface between IPR and Competition Law

Section 18 of the competition act deals with the duties of the competition commission of India. The government contends that Microsoft integrated its Web browser with Windows 98 in an attempt to put Netscape out of business. Competition act for the purpose of determining the abuse of dominant position is mainly concerned with the relevant geographic market and the relevant product market.

Interface between IPR and Competition Law

IP is classified into two categories: intellectual property, which includes patents for inventions, trademarks, industrial designs and geographical references; and copyright, which includes literary and creative creations, such as books, poetry and plays, animations, songs, sketches, paintings, photos and sculptures, and architectural designs. Analysis of The Role of Competition Commission Competition commission of India is a significant body of the Government of India. The Competition Act of 2002 has been amended twice, once in 2007 by virtue of The Competition Amendment Act, 2007 and then in 2009 by virtue of The Competition Amendment Act, 2009.

Merger And The Role of Competition Commission of India

Some of the powers can be enlisted as receiving evidence on affidavit, production and requirement of documents on oath, enforcing or summoning attendance of any person on oath and so on. In addition to the static mis- allocation and inefficient utilization of resources, the system was also dynamically inefficient insofar as it was not likely to encourage technical change.

As per Supreme Court directions, Committee of Experts submits its report on Regulating audit firms and the Networks

IPRs and rivalry are generally perceived to be fields of opposing priorities. The court stated that if there is no creation of dominant position, such kind of transactions must be authorised.

UNCTAD Group of Experts on Restrictive Business Practices, Journal of World Trade

The globalisation of the economy resulted in increasing the competition within and outside the Indian market.

UNCTAD Group of Experts on Restrictive Business Practices, Journal of World Trade

Several critics has criticised this dominance based test. Cross-border transaction has increased rapidly with the growth of globalisation and liberalisation of trade. Arbitrating IPR and Competition Law Disputes in India: Issues, Scope and Challenges.
