Shito

She is quite similar both in appearance and abilities to though Akiha's ability consists of controlling external heat, whereas Azaka's ability is inducing ignitions. Amidst the lifeless monologue is an unreachable confession.

Nekomonogatari

Black received its own adaptation as a four episode TV series that aired all episodes on the same day, while White was grouped with the Monogatari Series Second Season as the first arc told. Afterwards, Kirie Fujō awakes in her physical body on her hospital bed after being killed by Shiki in her spiritual body.

Shito

Tōko tells Mikiya that Shiki is okay, but he should not visit her yet. When they enter Tomoe's original residence, they find the rotted corpses of the parents. This side of the apartment is used to store corpses.

Shito

Tomoe feels then that he cannot hide any longer with Shiki, and leaves. The voice actors were all veterans.

Français

Mikiya then intends to talk to Fujino to stop her quest of revenge.

diccionario de japonés

Cada una de las construcciones o edificios que forman parte de un conjunto, como los de una exposición, ciudad universitaria, hospital, cuartel, etc. Even though Shiki wants to destroy the projector, Shizune decides to take it home and modifies it so that it is not as dangerous. It is the first story in the series that's told in different perspective than Araragi.
