Jensen's American Political History On

She completed the longer version of Life in 1559.

American Labor and Working

Smith, though himself a supporter of the Equal Rights Amendment, intended his amendment to function as a poison pill—a provision that would kill the whole bill.

Walzer's Paradox by Peter Berkowitz

Kennedy announced the nation would put a man on the moon, most young American women dreamed of marrying by age twenty-one, quitting work, and having four children. Before her death she produced numerous books, which are now considered classics in mystical literature.

America, 1908 : the dawn of flight, the race to the Pole, the invention of the Model T, and the maki...

I explore the ramifications of race and empire in a political biography of Patsy Takemoto Mink, the first woman of color U. At the same time, they were placed under even stricter regulation by male clergy.

Women in the Renaissance and Reformation

The Arena was sold in 1903 to Charles A.

Grace Paley Interview

Connecticut, the Court ruled that the law, and any other restrictions on access to contraception for married couples, violated the marital right to

privacy, and were thus unconstitutional. Paley is a member of the American Academy of Arts and Letters, and the recipient of many awards.

TSHA

The next generation of historians of women will be creating its own tools of analysis, and bring us forward toward building a sounder foundation and a more solid and truly representative structure of historical knowledge.
