Known as the Frankfurter Vorlesungen: Probleme zeitgenössischer Dichtung Frankfurt Lectures: Problems of Contemporary Writings they are historically and substantively Bachmann's central work. Univ of South Carolina Press.

## Analysis of Anton Chekhov's Plays

She does no work, has no thoughts of the future, and lives her life in idleness and boredom. Univ of South Carolina Press. She was concerned with the accountability and authority, the authenticity and reliability of a person of narrating a work.

## Burgtheater

These characters are supplemented by a considerable supporting cast. Los Angeles Review of Books. Translated by Philip Boehm 1990; revised 2019.

[quizapp.evertonfc.com](http://quizapp.evertonfc.com): Armut (1916) (German Edition) (9781165264360): Wildgans, Anton: Books

Nina, a central character in the play and the only one who finds an answer for her life, is based on Lika, whose true experience provides the central theme of The Seagull.

## Anton Wildgans

Such people are rare, and we must love them.

**quizapp.evertonfc.com: Armut (1916) (German Edition) (9781165264360): Wildgans, Anton: Books**

He has deep feelings and the urge to express them, but no one wants to listen to him.

**Anton Wildgans**

Chekhov brings forth the inner lives of his characters so that the audience can understand them, see their foolishness, and yet pity them.
