Two Worlds: Notes On The Death Of Modernity In America & Russia by Thomas C. Oden

More than half 56% say gangs were in their schools, while just four-in-ten 40% other young Latinos say the same. At the

heart of this unmitigated violence and killings of black men by police officers is a total abnegation of the dignity and value of the life of black men. Fortresses were established in African and Asian ports.

During the postclassical period, contacts increased and were more significant. Portugal and Spain Lead the Pack. It is as close as an American poet a preternaturally optimistic American poet at that! — JEANNE WAKATSUKI HOUSTON, coauthor of Farewell to Manzanar Midnight in Broad Daylight is a deeply moving, well-written work that ranks among the better accounts of the injuries inflicted in wartime on civilian and ethnic populations.

Being a Black Male in America: Racism and the Police

. HALF OF ALL ENSLAVED INFANTS DIED IN THEIR FIRST YEAR OF LIFE Children suffered very high mortality rates in slavery. I think this post does an excellent job of explaining this.

Modernism and Post

The settlers ruthlessly sought gold; when there were substantial Indian populations, they exacted tribute without imposing much administration. Common conditions among enslaved populations included: beriberi caused by a deficiency of thiamine ; pellagra caused by a niacin deficiency ; tetany caused by deficiencies of calcium, magnesium, and Vitamin D ; rickets also caused by a deficiency of Vitamin D ; and kwashiorkor caused by severe protein deficiency.
