In addition to the states which are members of the United Nations, and the body of officials in New York, Geneva and elsewhere who constitute its working staff, there is a 'third United Nations'—of national and international groups that engage with the organisation in support of its aims or that seek to influence its agenda. Once again, the people of that wonderful, beautiful tortured land have asked me to give public voice to their suffering. Responsible for the first Health Act in Queensland 1875-77.

Staying Red (HTML)

In the light of his role in connection with the additional protocol, it is noteworthy that Sir Littleton Groom returned from Geneva impressed with the achievements of the League.
