Shapeshifting: Much like their master, the followers of Dementia are gifted with the ability to shapeshift into any creature they so desire. Despite this, he's rather laid back, and is more than accepting of pranks done right back at him in retaliation. Most of the beneficiaries in this housing scheme were drawn from informal settlements around the city and their livelihoods were mainly in the informal sector and scavenging at dump sites in the city.

Experts: China Needs to Plan Its Satellite Towns

Unsourced material may be challenged and. Dementia's head is that of a white furred horse, his eyes mismatched just like the rest of him: the left one a golden slit iris, the right one a plain looking greenish blue. Thesis University of Dares Salaam.
