The Pigeon Post of Great Barrier Island

The country was also the first to introduce stamp vending machines, an innovation that is now enjoyed by people worldwide. The website is: stampingpaws wrote: I have been requested by a couple of my customers to prepare a catalogue and a simplified album for the Private Post stamps that have been issued by New Zealand.

Stamp Yellow Pages

The Scott catalogue admits the size of the two stamps is different but states that heights are different.

1890 NZ Pigeon Post stamp

It was then that the idea came to attract carrier pigeons. Two years later, the Post Office Act created the office of Postmaster-General, which was responsible for coordinating mail delivery throughout the country.

Virtual New Zealand Stamps: Index One

Global Administrator wrote: No yours is fine. The service was put into operation for the transmission of information from the Delegation to Paris and was opened to the public in early November.
