### R. Scott Appleby

ExxonMobil originally reported to the LDEQ that 1,364 pounds of material had been leaked. Many splendid temples of Mrauk U were built during this period. Main article: Both Exxon and Mobil were descendants of, established by and partners in 1870 as the Standard Oil Company of Ohio.

### NEW REPORT

This indicates some form of communication between groups in Myanmar and other places, possibly through trade. The report could have better emphasized how institution building in weak states is critical to securing rights—an issue rarely addressed by the field despite the impossibility of securing rights without robust and accountable government.

### Human Rights Reporting and U.S. Foreign Policy

Ultimately, the goal is to reach policymakers in Washington and elsewhere, as well as the general public, providing those audiences with ideas that are innovative, relevant to policy, and rooted in specialized expertise.

### The US role in advancing gender equality globally through girls' education

Though the country's foreign relations, particularly with , have historically been strained, the situation has markedly improved since the reforms following the 2010 elections. In 1980, Exxon merged its assets in the mineral industry into newly established Exxon Minerals later ExxonMobil Coal and Minerals. According to the 2010 estimates of the , 7% of the population is Christian; 4% is Muslim; 1% follows traditional beliefs; and 2% follow other religions, including , , and .

### US Foreign Policy

WASHINGTON AP — Burma democracy leader Aung San Suu Kyi will be honored in Washington this week and presented Congress's highest

award, the latest milestone in her remarkable journey from political prisoner to globe-trotting stateswoman. Defeat into Victory: Battling Japan in Burma and India, 1942—1945. In response, the United States has redoubled its efforts to censure China in the international community.

### **Human Rights Reporting and U.S. Foreign Policy**

The company has also been the target of accusations of improperly dealing with human rights issues, influence on , and its impact on the future of nations.
