Notes on My Books by Joseph Conrad: Twixt Land and Sea

Without a doubt, it's all intended.

Twixt Land and Sea by Conrad, Joseph

Three tales, novellas, actually, that capture the breadth of Conrad's work. Fairy tales are mainly children's literature, but mythology dates back to ancient civilizations across the globe. I may not turn up again here for years.

TWIXT LAND & SEA. Tales by Conrad, Joseph

Bound in original olive green cloth, spine gilt, front cover titled in black. Twixt Land Sea Tales, First Edition

Illustrations, Index, if any, are included in black and white. Her plump, knitting hands fell slowly on her knees. He lives in Edinburgh, Scotland.
