However, the way the child looks and acts is more important than how high the child's temperature is. The child may need a tetanus or rabies shot or antibiotics.

The American Red Cross First Aid and Safety Handbook (Paperback)

A new chapter devoted to disaster management includes the latest information on bioterrorism and homeland security threats to help you create an action plan for disaster situations. A separate chapter on first aid walks you through the management of common injuries and emergency situations. The odds are that every day, people will be injured and you will want to be able to keep them alive and from additional injury.

The American Red Cross first aid and safety handbook (Book, 1992) [quizapp.evertonfc.com]

If the foot or hand below the injured part is cold or discolored blue or pale , seek emergency care right away. The real facts and details in this book gently skewer modern mothers and fathers and will at the same time delight them with dead-on accuracy in describing the habits and accouterments of nine types, including: --The Neo-Trad: Dad makes the cupcakes and kids' artwork is everywhere not just on the fridge ; the family's taste always exceeds its wallet --The Martyr Parents: They've sacrificed so much for the kids that the kids have taken over the asylum-- The Power Parents: The IV sessions that led to triplets were coordinated on mom and dad's Blackberries and the real British nanny swabs the babies' Burberry button-downs on the way to their five bedroom Park Avenue apartment --The Classic Parents: Everybody's in LL Bean and their 2.
