Abundance for What?

Essay writing on demand has become increasingly popular in the last decade. The friend who invited me did attend the festival and brought back for me a copy of this book. A lot of young people complain about the complexity of learning and the opportunities they wish they had to succeed.

Nature and Other Essays by Ralph Waldo Emerson

The grand themes--rebirth and genial carnality--have come and gone like a chinook wind, bringing a familiar end-of-the-year thaw to body and spirit.

Abundance for what? : and other essays (Book, 1965) [quizapp.evertonfc.com]

My author is a true professional with good experience! I haven't been a reader of the NY Times, so when I saw this book on a bargain table - didn't realize the author wrote a regular column for them, only that the last name had ties to my Iowa hometown. He has a great ability to put the things he has observed into great descriptive words. Time fell out of gear for almost everyone.
