Meet Our Suppliers: Organic Cotton Colours

I agree, close the message. These cardboard labels are designed to be part of the packaging of the clothes made from their fabrics, offering key information to the final customer about the traceability of the garment. If you are not a new follower you already know that there are not that many CrochetObjet knitting sales during the year.

Coton Colors Dinnerware Sets

May not be combined with other offers.

Colour and Cotton

This warrant accompanies each order and ensures that the customer is ordering a fabric made considering biodynamic farming methods.

Coton Colorsâ„¢ by Laura Johnson

Many of our products are made with personalization in mind.

Cotton & Color

Allow us to wrap your selections, free of charge {of course! CONCIERGE SERVICE Placing your order has never been easier.

Our Flagship Stores

You'll be proud of the items you gift. COTON COLORS TALLAHASSEE FLAGSHIP STORE The pioneer Coton Colors Flagship Store first began as a small storefront in the studio where Laura handmade and hand-painted her pottery designs and where her mother, Dee, loaded kilns, fired the pottery, and shipped customer orders. Our Displays: Step into our stores and be ready to be inspired.
