The World Of Tim Frazer by Durbridge, Francis

Eighteen weeks have elapsed since viewers were first introduced to Francis Durbridge's unusually human hero, Tim Frazer. Although in the past I have, of course, been solely responsible for the writing of my television and sound radio serials I decided, because of my work as Executive Producer on the series, that it was necessary for me to have script associates on The World Of Tim Frazer. It was written in 1962 and so belongs to a different time period but nevertheless, it's a very well-constructed thriller.

The World of Tim Frazer (Tim Frazer, #1)

Notes : Clive Exton, script associate for the first The World Of Tim Frazer story, played an influential part in Agatha Christie's Poirot during its formative years. As matters got worse the partnership dissolved and Tim Frazer's company eventually went into liquidation.

The World of Tim Frazer (TV Series 1960)

I guess I won't borrow the other two books from my Gran any time soon. Synopsis : Tim Frazer is trying to discover the identity of Ericson, the head of an international diamond-smuggling organization. Synopsis : Tim Frazer discovers that Ruth Edwards has information which may throw light on the disappearance of Frazer's ex-business partner, Harry Denston.

The world of Tim Frazer (Audiobook on CD, 2009) [quizapp.evertonfc.com]

At the house Frazer discovers the body of Gordon Dempsey. The appetite for traditional crime fiction has never been stronger, and Arcturus Crime Classics aim to introduce a new generation of readers to some of the great crime writing of the 20th century - especially the so-called 'golden era'.
