SAGA OF KANSAS CITY SOUTHERN LINES

} it is hereby authorized to establish and maintain all necessary ferries upon and across the Missouri river, and other rivers which its road may pass in its course; and authority is hereby given said corporation to construct bridges over said Missouri river and all other rivers for the convenience of said road: Provided, That any bridge or bridges it may construct over the Missouri river, or any other navigable river on the line of said road, shall be constructed with suitable and proper draws for the passage of steamboats, and shall be built, kept, and maintained at the expense of said company, in such manner as not to impair the usefulness of said rivers for navigation to any greater extent than such structures of the most approved character necessarily do: {Companies may unite with main line west of 100th meridian, but to receive no more lands or bonds than if the junction was on the 100th meridian. The car includes a Railway Post Office, where mail clerks sorted letters and small packages for delivery to towns along the route.

Lives on the Railroad

John Turner Milner Prior to the war, had confirmed that the area around present-day Birmingham contained large deposits of and , but they were worthless without transportation to an industrial center.

Pacific Railroad Act

The timber lands were being cut over, and the remaining logs were going to the mill aboard trucks.

Southern Railway (U.S.)

About September 1, 1902, the road was finished between Alexandria and Mansura, Louisiana, and in the fall of that year construction of the Winnfield, Louisiana branch was begun. The former was incorporated on January 27, 1848 and opened a 131-mile route from Knoxville to Bristol, Tennessee in 1856. It also handled a large volume of cross-London freight from these to other yards north of the river via the and which were jointly owned by the Southern Railway.

Irish Free State declared

The railroad began first clearing the right-of-way for rehabilitation in 2007 and had it ready for service within a few years.
