## Interactive Websites for Learning

Guided by personalized video suggestions that match diverse interests and levels of English mastery, students gradually build on their learning foundations. Hence, they lack the ability to interact in social settings.

## 19 Types of Pre

The best way to learn English as a second language is to immerse yourself in it as much as possible. It also allows them to take responsibility for their learning as well.

## 23 Listening Exercises and Strategies for ELLs ideas

Online help is offered in handouts and materials; downloadable PowerPoint workshops and presentations; an excellent search engine associated with Purdue; and current and back issues of a student newsletter about writing.

## ESL

However, in the listening classroom, this is the normal role.

## English Speaking and Listening Activities for Second Language Learners

Graphic organizers Give students a blank graphic organizer which summarizes the information in the text under headings.

## Listening In Language Learning

Before class, make a list of interesting vocabulary words that appear in the song. The decision of which language s to speak with your child is a personal and complex one.

### **23 Listening Exercises and Strategies for ELLs ideas**

You can find plenty of in Sandy Millin's blog. She is very lucky to have a parent who is such an excellent role model for language competence. It was a great way for all of us to get acquainted and for non-English speaking students to begin to learn English.

### **Ten activities to practise listening fluency in the English classroom**

While listening to a song, have your students try to pick out the problem that singer is singing about—such as a break up, death, unrequited love, etc. Brainstorming: Brain Walking You can paste posters around the classroom and divide students in small groups, students go to the poster and talk about what comes to mind after taking a look at the posters. Once you are finished, ask students where they ended up.
