Ancient Greek is also still being taught, but not as much as Latin.

The Enlightenment

I thought the story, if written in an easy and natural manner, suitably to the simplicity of it, might possibly introduce a new species of writing, that might possibly turn young people into a course of reading different from the pomp and parade of romance-writing, and dismissing the improbable and marvellous, with which novels generally abound, might tend to promote the cause of religion and virtue.

A Classic 18th

Richardson had been apprenticed to a printer, whose daughter he eventually married.
