Korean, Buddhist Influences on Vernacular Literature in

Forging the truth: creative deception and national identity in medieval Korea. The relationship between text and image in the context of nation-building returned full force in the wake of liberation when nothing was more urgent than the redefinition of historical and cultural symbols in the new Cold War order.

Korean, Buddhist Influences on Vernacular Literature in

In Korea, this coincided with the loss of national sovereignty, which complicated the dissemination of national identity and ideologies of modernity, and pitted multiple interest groups against each other. Buddhism also had an impact on writing style.

Claiming Colonial Masculinity: Sex and Romance in Ch'ae Mansik's Colonial Fiction

Korean vernacular literature gained wider readership in the mid-nineteenth century, about the time that the classical Confucian novel in Chinese entered its period of decline.

Han'guk Pulgyo chŏnsŏ / [p'yŏnja Tongguk Taehakkyo Pulchŏn Kanhaeng Wiwŏnhoe nae Han'gu...

These laws were not static, as Chŏng Chin-sŏk points out, and an appeal in 1923 brought about a change in some of the application processes in 1926 and again in 1931. The presentation dealt with the role of Japanese radicals in the labour and socialist movements in colonial-period Korea. These included the works of John Locke 1632—1704, whose formulation of the tabula rasa implied that all people were born as blank slates and which brought Locke to inquire into the origins of the mind; Jean-Jacques Rousseau 1712—1778, who, in his widely influential text *Emile* explored the tension between the innate goodness of man and the corrupting influence of society; and Jean Piaget 1896—1980, who believed that children were functioning beings in their own right and should therefore not be considered imperfect adults.

Foucault, Michel, 1926

Paper presented at the 2013 American Academy of Religion AAR annual meeting, November 23—26, Baltimore Convention Center, Baltimore, MA. The child-heart that had been defined by its privileged communication with nature, and that granted children a pristine goodness and deep

wisdom, was now put to a new purpose.
