True colours

For example, the ubiquity of and the decline of are mentioned as negative consequences of feminism. But I would want to say everybody has a moral position, if you take the meaning of the word moral literally which is just a word used to mean way of life.

Thatcher in retrospect

On the issue of capitalism, Sacks used the critics of unchecked capitalism such as Naomi Klein No Logo , George Soros Open Society , Michael Waltzer many works and Zygmunt Bauman Globalization. How successful has Thatcherism been as a hegemonic project? Braybon, Women Workers in the First World War, p.

In

The people must serve God directly, without any mediation.

Margaret Thatcher was no feminist

Chicago: University of Chicago Press. In contrast, religious Zionists integrated into Israeli society, serving in the army shoulder to shoulder with their secular peers.

In

If we feel that people would be reading the book and getting a wrong impression of what many feminists think, it is only fair for people to share words to that effect.
