## Improving rural lives: a history of Farm Bureau in Kansas, 1912

McWilliams knew Upton Sinclair author of *The Jungle*, who ran for governor in 1934 with an End Poverty in California program he lost that included turning large farms into cooperatives, as well as literary critic Edmund Wilson. It is a new grafted product of American individualism, American idealism, American intolerance.

McWilliams went on to head California's Commission of Immigration and Housing between 1939 and 1942, where he increased inspections of

grower-owned labor camps; the Commission had been established in response to the Wheatland hops riots of 1913.

### **Improving Rural Lives: A History of Farm Bureau in Kansas, 1912**

I also have holdings of books on the Middle East, the southwestern United States New Mexico especially, Kansas related titles, Oklahoma related titles, and other regionally specialized books. Growers immediately evicted strikers from grower-owned labor camps, a tactic that backfired as striking workers moved into tent camps organized by the Cannery and Agricultural Workers Industrial Union, reinforcing the strike's effectiveness. From the dust jacket: From selling surplus World War I horse harnesses to providing market data via satellite transmission, agricultural producers in the Sunflower State have worked together through Kansas Farm Bureau to enhance their business and profession.

### **Farm Labor in the 1930s**

History of the State of Kansas 1883 , detailed, reliable older history. Labor historians often distinguish between types of farm workers but lump all farmers together as distant entities out to exploit workers. Khaki cloth boards and spine with bright gilt lettering on the spine.
