Alan Turing: The Enigma

Of course, the boys in the club, their eyes were bobbling out of their heads; they were all young lads.

The Turing Enigma (2011)

Like Turing also, Hodges is gay, and his description of Turing's prosecution in 1952 for 'gross indecency' and the tragic events leading up to it, is written with great empathy and an entirely appropriate indignation. The Wikipedia page for him includes the phrase... but at the upper end it has been estimated that this work shortened the war in Europe by more than two years and saved over 14 million lives.
