The Spice Account: From Eleanor de Montfort's Household Rolls

There they prayed for favors, or gave thanks for favors received.

Medieval football

It was discovered in 1981 in the roof structure of the Queen's Chamber,.

Household accounts from medieval England, part 2: diet accounts (ii), cash, corn and stock accounts, wardrobe accounts, catalogue

Almost all illustrations of peasants and nobles show them with head coverings, either elaborate hats for nobles or hoods for peasants. A butler receiving more than a valet may well have been common but the figures represent the vast majority of wages made available in the source material.

London and England in Chaucer

Any info you could give me on how the titles work would be greatly appreciated.
