Future of Northern Ireland Economy

Though increasingly inefficient, the Russian railway system avoided major reform into the 1990s. We perhaps do not have conurbations of the same size. The Chairperson: Please bear with us for a moment.

Russian Railways

Labour and the Liberals openly advocate increased taxation.

1992 Conservative Party Manifesto

Common sense prevailed and the tax was cut to equal levels, rescuing the situation. Therefore, that issue will have to be addressed. That is 15% of pre-pandemic income.

1992 Conservative Party Manifesto

New, integrated regional offices of the appropriate Whitehall departments will be established so that business and local government will have only one port of call. The Regulator considers that, building on experience in GB, this gap can be closed relatively quickly and has set a trajectory of closing about 65 per cent of the cost gap by 2013. Another 156 hospitals have applied to become trusts from April 1993.
