### Bathroom Tile Ideas: 17 Inspiring Design Ideas For Your Home

You can pick a very classic floor but lay it in a herringbone pattern to add drama to any room. Interior design colors should always follow style. Patterned Tiles Adding patterned tiles can make for an easy installation with an intricate pattern.

### Ceramic Tile

Mosaic tiles and wall tile murals look great in areas where there are no other exciting patterns or impressive pictures to distract from the tile work. A stone-look diamond tile floor will probably have even more longevity.

### 35 Modern Interior Design Ideas Creatively Using Ceramic Tiles for Home Decorating

Also known as Zellij, this tile look originated as handcrafted tile, but now you can get those colorful contrasts and creative patterns without the hassle.

### Tile Patterns & Layouts

Sometimes the color difference is quite subtle and you may not notice until the tile is under different lighting. With it being adjoining rooms and not the two types in the same room, the difference might not be so noticeable, but we do try to steer people away from that choice.

### 48 Bathroom Tile Ideas

Tile flooring has the ability to seamlessly fit within a multitude of styles, making it perfectly suited for any trend.
