The natural tonic of St. Patrick's County Park

These are the images, which come to the canvas through my memories, thoughts and imagination. This has been preserved and it is thought it may have marked the site of the former holy well.

St. Pat's tubing hill remade, a biking Oktoberfest and other harbingers of fall

Ireland's ceremonies, hosted by the and attended by the President of Ireland, take place there every November.

The natural tonic of St. Patrick's County Park

The current Prebendary of Taney is the Venerable R. The sea is very important to me; I am intrigued by its movement, colour, danger and calmness.

Bald eaglets born at Notre Dame environmental research facility in St. Patrick's County Park // News // Environmental Change Initiative // University of Notre Dame

A lease was signed on 23 December 1665 and was renewed from time to time until the special services ceased in 1816, by which time the Huguenots had been fully assimilated into the city population.

St Patrick's Cathedral, Dublin

There was also routine flooding and a series of galleries was added to accommodate large congregations.
