Chapter 14. Marriage and Family

They have been able to travel freely around the country, making their homes where they please. It was difficult for Arthur to move, and so the couple were wed inside a medical transport plane as it remained on the tarmac in Baltimore. Like other social phenomena, it is a social construct that is subject to the ebb and flow of social norms and ever-changing meanings.

One Man, one woman and the sacrament of marriage

Faulkner, Requiem for a Nun 92 1951. Having grown up within a mile of the Beltway during the Cold War, the greatest fear dominating my childhood and adolescence was that I might one day look up and see a brilliant mushroom cloud rising over DC.

What does the husband of one wife phrase in 1 Timothy 3:2 mean? Can a divorced man serve as a pastor, elder, or deacon?

Marriage is a natural institution that predates government. What effect does cohabitation have on marriage? Laws play an educational role insofar as they shape patterns of thought and behavior, particularly about what is socially permissible and acceptable. They can meet each other without any shar'i objection; and if they decide to have sexual relations, then they should use permissible contraceptive means to delay the child-bearing process.
