Aunt Martha's Iron On Transfer Patterns for Stitching, Embroidery or Fabric for 43272221049

When in doubt, look at the instructions that come with the package of transfer paper. If you can't do that, scan your original drawing, then print it as a t-shirt transfer to reverse the image.

little dear tracks: Make your own Iron

Be sure to apply steady and even pressure as you iron so the complete image is fully attached. Punching the Transferred Pattern: I have been successfully punching a different pattern that I transferred with this method. A colder machine would leave some toner still sticky to make the transfer.

Yesterdays Charm, Hand Embroidery Transfer Patterns

While I received the pen from Sublime Stitching, the opinions here are entirely my own. Well, for one thing, they can both have fun with iron-on

transfers! What I did was stop the copier before it passed the paper through the rollers and open the door, removing the paper with the image still laying there as a loose power, lay the cloth on it carefully and lightly iron.
