Charlie Is My Darling: Ireland 1965

This very personal look into the on tour in Ireland may say a great deal more than certain other documentaries spanning across entire careers. And, these characteristics combined with Charlie's interest in drawing Charlie Is My Darling has many of the elements featured in Mr. Charley is a young London evacuee in the English countryside during WWII.

Charlie Is My Darling (film)

Johnson, Charley has an uncanny ability to live in the moment without it ever occurring to him that there could be consequences.

Producer Robin Klein on Reviving The Rolling Stones' Charlie Is My Darling

I think Peter took the film to the Berlin Film Festival and some noted film geezer said that out of all the entries, Charlie is My Darling would be the only one that would hold up in 50 years time. All three are scoundrels, and Charley could have been the child that Gulley grew up to be.

Inside the Rolling Stones' 'Charlie Is My Darling' Documentary

Mostly they use our crowd footage. Only the result was required.

Inside the Rolling Stones' 'Charlie Is My Darling' Documentary

Klein: When they saw it — we gave it to them to sign off on, or for improvements or suggestions — they handed it back without one comment, so that means success. And Charlie says in his book that as far as he knows...up until this point they had only played in front of television audiences that had been filmed.

Inside the Rolling Stones' 'Charlie Is My Darling' Documentary

It was also a great opportunity to see which of the Stones the camera fancied, and it turned out to be Charlie Watts, hence the title of the movie.

Producer Robin Klein on Reviving The Rolling Stones' Charlie Is My Darling

I know it works the same way today if you are Katy Perry, but in a reverse process: release first, singles later.

Charlie Is My Darling (1966)

. Perhaps it was because I was infatuated by film.
