Why are you defending them when they are wrong!? The Red Line agreement governed the development of Middle East oil for the next two decades.

Foreign relations of Canada

A high volume of trade and migration between the U. There are some countries trying to do that but this should be a common decision, stopping alone wont work while everyone still using it.

NAFTA negotiations.

Filesize: 62.1010 MB

Remuneration, other than a pension, paid by a Contracting State or a political subdivision or local authority thereof to a citizen of that State in respect of services rendered in the discharge of functions of a governmental nature shall be taxable only in that State.

United States foreign policy in the Middle East

Notwithstanding the provisions of Articles VII Business Profits , XII Royalties and XIII Gains , profits derived by a resident of a Contracting State from the operation of ships or aircraft in international traffic, and gains derived by a resident of a Contracting State from the alienation of ships, aircraft or containers including trailers and related equipment for the transport of containers used principally in international traffic, shall be exempt from tax in the other Contracting State. A consulate-general replaced the consulate in 1949, and it was upgraded to full embassy status in 1958.
