Philosophy:Self

This is a work of reference to dip into, that acknowledges that some of the most powerful insights into ourselves can be found in texts that aren't perceived as being 'self-help' books, and that wisdom and consolation can be found in the strangest places.

We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. There is an insidious, global identity theft occurring that has robbed people of their very recognition of their true selves. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide.
