## Some Lies and Errors of History, by Reuben Parsons

HAVING shown in the previous pages that the imprisonment of Galileo was merely nominal, and that no torture was inflicted upon him, we must now briefly examine the decisions of the Roman Congregations in his case, with a view to their doctrinal consequences. The poet Chenier, of the school of Voltaire, represents, on the operatic stage, the Cardinal of Lorraine as blessing the poniards destined for the massacre; but at that time this prelate was in Rome, having been one of the conclave which had chosen a successor to St.

## Some Lies and Errors of History

The Emperor Maximus was the first Christian prince to adopt this questionable method of preserving religious unity.
