## Ancestors of Lieut. John Coffin [1197]

Disciples of Democritus were Protagoras of Abdera, and Metrodorus of Chios, whose pupil was Diogenes of Smyrna; and his again Anaxarchus, and his Pyrrho, and his Nausiphanes. And Hermippus gives the same account in the first Book of his History of the Magi; and so does Eudoxus in his Period; and so does Theopompus in the eighth book of his History of the Affairs of Phillip; and this last writer tells us also, that according to the Magi men will have a resurrection and be immortal, and that what exists now will exist hereafter under its own present name; and Eudemus of Rhodes coincides in this statement.

## Ancestors of Lieut. John Coffin [1197]

His eloquence, which displayed itself as well in rebuking his royal master 1 when needful as in repressing sedition, 2 his daring valour, 3 his skill in swimming, 4 and other athletic exercises, rendered him admirably qualified for the important civil and military duties with which he was entrusted; while his piety, zeal, and undaunted courage, were tempered with a humility that made him well fitted for the higher offices of religion. The falone possessed the power of life and death. It was evidently the design of Providence to develop a new type of Christianity outside of the restraints of the papacy, and the history of three centuries is the best explanation and vindication of that design.

## Oil Is Mastery: The Wisdom of Sonchis of Sais

With the costume of the Chinese, which, in our eyes, is superlatively graceless, we have become sufficiently familiar, by the exhibition of the living males and the stuffed females, in our Chinese Museums. I have done the best I could.

## John Coffin Memorial Lecture 2017

Bolingbroke's philosophical writings show him to have been a Deist. In many towns even, where at the time that the Religious Peace was concluded Catholic worship still existed, it had been abolished in opposition to the plain letter of this peace.
