Myanmar: Part 1

It consists of laws ascribed to the ancient Indian sage, , and brought to Burma by Hindu colonists. Aung San's unprecedented assassination prior to the absolute fulfillment of the Pin-Lone agreement undid the unification he led.

Thet Tun

During the past few years, this instability has especially been the case in Arakan Rakhine State.

Reflections on military coups in Myanmar: and why political actors in Arakan chose a different path

Two special factors appear to have contributed to this rise: first, due to their geopolitical location on the China border, Wa officials were able to maintain good relations with their influential neighbour; and, second, following a 1989 ceasefire, the UWSP leadership developed stable understandings and inter-relationships with military leaders in the Myanmar government.

Myanmar: From political crisis, to 'multi

Obama was the first U. Sentiments, however, begin to change during the political disaster that hit Arakan under the former NLD-led government, causing political leaders and organisations to seek neutrality and political isolation since this time. According to , Suu Kyi issued the statement pre-emptively before she was detained.

Politics of Myanmar

The People's Assembly consists of 440 representatives, with 110 being military personnel nominated by the Commander-in-Chief of the Defence Services. Here the majority winning party in the 2020 elections, the Arakan National Party ANP , abstained from taking a position on the military coup, but the membership of an ANP representative on the State Administration Council was questioned by many Rakhine people. Min Aung Hlaing also claimed that the armed forces will transfer power to an elected civilian government following new elections after one year.

Why Myanmar's election is unlikely to herald major political reform or support transition to democracy

Looking around neighbouring countries at the moment, less hope can be seen for democratic transition than a few years ago. Many groups of racially and culturally diverse people suddenly found themselves as part of a country that was named after the Bamar, a group they did not identify with. The military expropriated private businesses and followed an economic policy of, or economic isolation.
