Ayat

The Messenger of God made Khuzayma's testimony equal to that of two witnesses. Thabit, and Abu Zayd-it has to be rejected and discarded because it contradicts all the preceding traditions, including those reported by al-Bukhari himself. These traditions are evidently contrary to the Qur'an.

Ayat

Sometimes they would disagree on a verse. The apparent sense of many traditions -in fact, their explicit statement-suggests that there was nothing left out until that time.

Ayat

Apabila mereka tetap juga berpaling dari kebenaran dan melakukan hal-hal yang merugikan perjuangan kaum muslimin maka katakanlah kepada mereka bahwa dosa perbuatan mereka itu akan dipikulkan diatas pundak mereka sendiri dan tidak akan membahayakan Nabi dan kaum muslimin sedikitpun.

Surah At

The following tradition was reported by 'Abd Allah b.

8. The Collection of the Qur'an

These professors brought up an inclusive personality which is regarded as one of the greatest blessings in our time. You used to record the revelation for the Messenger of God. These traditions contradict the consensus of all Muslims that the Qur'an cannot be established except through an uninterrupted and successive narration from the Prophet himself.
