## TOUCHING MY FATHER'S SOUL

Everest, and an intro into Sherpa culture.

### 35 of the Best Books About Mount Everest And The Himalayas Red Around the World

Some stories merely skim the surface of larger issues, but Doyle revisits them in later sections and digs deeper, using friends and familial references to personify their impact on her life, both past and present.

### Touching My Father's Soul: A Sherpa's Journey to the Top of Everest by Jamling Tenzing Norgay

With her characteristic candor and dry wit, she recounts the story of her fateful meeting with her future husband. In the Everest expeditions of 1922 and 1924, General Bruce selected his porter team from among the small Sherpa community in Darjeeling.

### RHC 2017: Touching My Father's Soul by Jamling Tenzing Norgay

While Jamling's father was the pioneer and most famous climber in the family, a total of twelve relatives have successfully summited the mountain the Sherpas call Chomolungma, for the goddess who lives on the summit.

### Touching My Father's Soul: A Sherpa's Journey to the Top of Everest

I found all the names mostly confusing and the descriptions of the landscape where many of them were lost equally confusing, but then again I never was one for understanding geography based on written descriptions. It was a great read and I have read it a second time - something I rarely do with books. Jamling Tenzing Norgay proceeded to make further ascents before eventually taking his leave from the mountain that had brought such great fame to the family.

## **Touching My Father's Soul: A Sherpa's Journey to the Top of Everest**

But otherwise nothing will come of it. For my teammates the expedition was somewhere between a job and recreation, and those forces were drawing me, too. Jordan Romero is actually the youngest person to summit Mount Everest at just 13 years, 10 months, and 10 days old.

## **35 of the Best Books About Mount Everest And The Himalayas Red Around the World**

The Buddhist beliefs and culture are carved into the rocks and traditions of the Himalayas, this book reawakens the authors acceptance of his father's legacy and allows him to be spiritually renewed. In the end, he hopes that the culture of Everest will bring all people together, as it brought together a father and son. Going between his father's first ascent of the mountain and Jamling Norgay's ascent gave the narrative a personal angle that couldn't have come from anyone else.
