[quizapp.evertonfc.com]

These 32 papers celebrate the centenary of the 1907 Memoir by placing the original findings in both historical and modern contexts, and juxtaposing them against present-day studies of deformation processes operating not only in the NW Highlands, but also in other mountain belts. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. Voor het berekenen van de totale sterrenbeoordeling en de procentuele verdeling per ster gebruiken we geen gewoon gemiddelde.
