### LGBT history in Turkey

The various structures of the complex have relatively simple but strictly geometrical floor plans, built of stone with lead-covered roofs, with sparse decoration offered by the use of alternating coloured stone around windows and arches.

### Ottoman architecture

The palace seems to have become a royal residence in the 16th century, when the section was constructed. The only other documented hammams in the city which date from the time of Mehmet II are the part of the 's complex built in 1466 and the Hamam built around 1475. Military leaders began to argue that the Armenians were traitors: If they thought they could win independence if the Allies were victorious, this argument went, the Armenians would be eager to fight for the enemy.

### LGBT history in Turkey

On the other hand, , a French architect, was invited to Istanbul by a sister of Sultan and depicted the Bosphorus shores and the pleasure mansions placed next to the sea. The empire then grew to include many areas in what is now present-day Europe. Due to its relations with , Ottoman architecture began to be influenced by the and styles that were popular in Europe.

### Armenian Genocide

A series of treaties created during that time caused the empire to lose some of its economic independence. The mosque itself, the largest building, once again consists of a courtyard leading to the square prayer hall. In March 2010, a U.

### In pictures: Turkey marks 568th anniversary of Ottoman conquest of Istanbul

It was during this period that Baroque-style mosques were starting to be constructed.

### Armenian Genocide

After that empire broke up, the Ottoman Turks began to take control of the other states belonging to the former empire and by the late 1400s, all other Turkish dynasties were controlled by the Ottoman Turks. In short order, the Turkish countryside was littered with Armenian corpses. Major examples are , , , and.

### **Ottoman architecture**

However, the Turkish government still does not acknowledge the scope of these events. James Hastings and John Alexander, , 1908 , 753. In 1856, the independence of the Ottoman Empire was recognized by the Congress of Paris but it was still losing its strength as a European power.
