The 10 best revolutionaries

Rizal have a God fearing heart so that he have ignite change and peace and thus mean we Filipinos should have a good conscience and God fearing heart to impose positive changes.

After Lives : Legacies of Revolutionary Writing by Barbara Harlow (1996, Trade Paperback) for sale online

Influenced by the anarchist communist writings of Prince Peter Kropotkin, Zapata was a warrior for peasant land rights; his is the historical template for democratic land ownership. Many Southern plantation owners, facing economic ruin due to their debts, also threw their weight into the struggle. And that is, the National Hero of the Filipino.

Revolution and the New Nation (1754

In central Europe, nations often lived side by side with each other and claimed ownership of the same territories.

Revolution and the New Nation (1754
