The Teachings of Zoroaster: Title Page

Recent estimates place the current number of Zoroastrians at around 110,000—120,000 at most, with the majority living in , , and ; their number has been thought to be declining. . Thus, a religious system, in itself philosophically sublime, degenerated into a system of polytheism, having for its object adoration of idols and visible forms of good and evil spirits, reflective of human imagination.
