**Pandemics and disarmament, public health and economic sustainability**

Total deliveries of passenger cars, commercial vehicles, industrial trucks and tractors amounted to an estimated £861 million in 1961.

## Disarmament

Ex-combatants, their families, and their belongings are transported to the district of destination. Sometimes they get a Congressional investigation started. And, finally, this massive level of spending was very narrowly focused on a few production sites around the United States and this made nuclear weapons spending ideal for pork-barrel projects.

## The economic effects of disarmament / by the Economist Intelligence Unit ; sponsored by the United W...

How much human obsolescence can our society bear before it cracks under the strain? The Transition 2021 series examines the major issues confronting the administration in the foreign policy arena. No one, however, doubts that the economic problems attendant upon disarmament would be critically serious, and considering that disarmament is one of the stated goals of our foreign policy, it would be reasonable to suppose that top government bureaus and private research organizations in Washington are at this very moment busily engaged in studying these problems.

## Pandemics and disarmament, public health and economic sustainability

Long term disarmament needs a development process. James McDonagh and Steven Zimmerman, two young engineers, discovered that in the airframe industry only once in the years between 1950 and 1955 did a major company sell as much as 30 per cent of its product to civilian customers.

Moreover, the distorted geographical distribution of defense contracts has influenced the pattern of industrial location in ways that could, in the

absence of advance planning, easily result in chaos when cutbacks occur. This is a long way from saying they are happy with the DDR Programme, but there is a genuine and consistent expression that being disarmed is better' than being armed.

Female combatants, abducted girls, and families of combatants often are not reached by DDR programs.

### **Disarmament, demobilization and rearmament? The effects of disarmament in Afghanistan**

A few years ago, Seymour Melman asked a number of companies how they were preparing for disarmament. The fact that so many of the units in the central region resemble self-defense groups rather than organized military units leads credence to the view that a large number of people in these units were selected by their local leaders to participate. Many economists even think that the situation would be worse than it appears on the surface.
