Those unsolved murders of two Chicago police officers are reopened when a prominent white defense attorney is found hanging dead in his home. Within chapters on important canonical and popular verse forms, she gives particular attention to such topics as women's use of religious poetry to express candid ideas about patriarchy and rape; the continuing evolution and important role of the supposedly antiquarian genre of the friendship poetry; same-sex desire in elegy by women as well as by men; and the status of Charlotte Smith as a key figure of the long eighteenth century, not only as a Romantic-era poet.

Although most people think of the stereotypical blue and white when they think of Wedgwood, the factory is and always has been so much more. Sources of design and decoration are listed for many objects, and methods of production in relationship to distinctive characteristics of eighteenth-century ware are also delineated. They include a magnificent selection of pieces from the famous Frog Service, commissioned by Catherine the Great and sent to Russia in 1774.
