**Shocking Revelation for Christians in 2021 : Blue Ridge Christian News**

The Bible, through the stories of Jesus after the resurrection, provides many clues on what our resurrected body will be like.

**What will we be doing in heaven? Won't it get boring if we are there forever?**

Do we imagine that God is unable to correct us? I think i can be a lousy Christian in ways outlined here by some skeptica who have every right to call us out. The descriptions of the new heaven, earth, and heavenly city in Revelation 21—22 provide a dazzling picture of the believer's future home, a place that should cause us to greatly anticipate living there for eternity.

**What things in this world have a true eternal value?**

The children of Israel just followed the cloud obediently. Of course Christians judge and soda you asshole. Every day seek God, love God, abide in Jesus and listen to His voice.

**7 Important Bible Verses About Purpose**

This alone is exciting enough to greatly anticipate heaven. I pray for the non believers because i want them in Heaven with Jesus. Maybe in the future this can be incorporated in a Cursillo weekend with giving reference to you naturally.

**Greg Laurie: People in Heaven Know What's Happening on Earth**

And into this life-giving drama gallops a red horse. I have know Idea where you were, when you professed to be a christian or what you went through, but I am 100% possitive about this and why am I so possitive.

**Greg Laurie: People in Heaven Know What's Happening on Earth**

The earth is also defiled under its inhabitants, because they have transgressed the laws, changed the ordinance, broken the everlasting covenant. None of what he does is done out of love,to help the person.
