May vs Might

James was convinced that a coven of powerful witches was conspiring to murder him through magic, and that they were in league with the Devil. It is best to use PLEASE in the question to make it more polite? Here's a basic rule: if you're reading or watching a Shakespeare play, and you're not imagining the actors standing in front of a mosh pit of jeering Londoners waiting to throw vegetables at the stage, you're doing it wrong.

Shakespeare translator

However, Shakespeare could have been quite a good actor, and this statement would still be true.

Asides and Soliloquies

Shakespeare Phrases Shakespeare coined several phrases that have become part of our day to day conversations.

9 Shakespeare innuendoes you should have been embarrassed to read in English class

If there are two auxiliaries in brackets , choose the correct one. Villain, I say, knock me at this gate And rap me well, or Ill knock your knaves pate.

The 422 Words That Shakespeare Invented

If you are fascinated to see the difference between English we use today and English used in , then this is the place to read. We can also use May — To GIVE permission We do NOT use Might to give permission.
