The Best Advice from Idea to Payoff (9780761149477): Foreman, Louis, Gilbert Welytok, Jill: Books

It doesn't matter how old you are or where you're from; you can start a profitable business. Generally, the University owns the right to all inventions which are the products of University research. Where do you fit in as a person with an idea? Have an invention idea but not sure what to do with it? Upon completion of the application, including your detailed review of the final draft and execution of the necessary document called a Declaration or Oath, the attorney will submit the application to the United States Patent and Trademark Office in your name.

Paul Westhead, International Small Business Journal This is a formidable and weighty tome.

Inventions help and inspiration for the first

There are, however, certain advantages to registration. The stories of different entrepreneurs - my own included - are highly relatable plus Tamara draws on her own experience in product development and sales. This means that each joint inventor may exploit the patent completely independent of the other joint owners.
