Canada’s 2019 Trade Policy Review opening statement

There are taxes for moving goods from state to state, and even within states. No doubt the advertising industry, for which the automobile is the single largest advertised commodity, must bear some of the responsibility for that.

The service sector in the free

Ocean shipping costs have fallen substantially in the past half century, perhaps by as much as a factor of four or five. Chapel Hill: University of North Carolina Press 2016. And, with the exception of human migration, global economic integration today is greater than it ever has been and is likely to deepen going forward.
