Ibn Rajab, 'Abd al

Internal inconsistency is a sign that the transmitter has not accurately and precisely retained the information they are reporting. But, as noted, this does not happen and the hadith critics preferred the integrity of the field of hadith to any personal gains to be gotten by feigning knowledge or falsely increasing the number of their teachers. Anyone who has a problem or calamity between them and another, it is possible for them to mention it.

A Brief Biography of the Late Ḥanafī Muḥaddith of Syria

We should acknowledge that the system has its inherent flaws and circular reasoning.

Biography of Hafiz ibn Rajab al

پس علم ہو گیا ہمیں اس بات کا کہ یہ حدیث ان کے نزدیک صحیح ہے Were the hadith Critics sincere to the field of hadith? Rather, we would expect to see them arbitrarily authenticating these accounts, since they bolstered government interests. While no one disagrees on the occurrence of these types of errors, two important points were made.

Principles of Hadīth

Yet Al-Bukhari himself wrote about him: Yahya b. Scholars of hadith and its sciences. This theory is backed up in practice by Hadith Critics, who did criticize their theological brethren as needed.

Biographie de Al

They are happy to blindly follow make Taqleed of al-Albaani whilst hypocritically condemning those who follow the Four Madhaahib of Haqq.

Commentary on Zad al

They are given this name because they will be strange during the Last Days, due to their adherence to the Sunnah and to the Way of the First

Muslims, the Salaf As-Saalih. If an individual wishes to assess whether a coin is genuine or counterfeit, he ensures to take it to a specialist, within seconds the specialist would be able to determine whether or not the coin is genuine due to his profound knowledge of coins. But it is not our claim that hadith critics were perfect or that they would never fall prey to their personal biases and grudges.
